REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

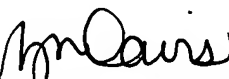

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on November 10, 2006 has been entered.
2. The errors made to radical "A" in the Examiner's Amendment mailed August 10, 2005 are regretted.
3. Based upon the Remarks filed November 10, 2005, the changes to radical "A" are editorial in nature. The changes are not made to avoid any possible rejection based upon prior art.
4. Claims 1-7 and 9-16 are allowed. The prior art references have been considered. The references alone or in combination form do not teach nor suggest structurally similar compounds as those instantly claimed. Accordingly, the claims are deemed patentable therefrom.
5. Applicants preserve the right to file a divisional application drawn to claim 8, which has been canceled.
6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
